|---------------------|---|
| Product Categories: | Organics;Ammonium Bromides (Quaternary);Biochemistry; Cationic Surfactants (for Biochemistry);Quaternary Ammonium Compounds; Surfactants (for Biochemistry) |
| Appearance | Colorless or white crystal, soluble in alcohols and hot water, insoluble in ether and benzene. |
| mp | 248-251 °C(lit.) |
| Fp | 244 °C |
| storage temp. | Store at RT. |
| solubility | H2O: 50 mg/mL |
| form | powder |
| Water Solubility | 13 g/L (20 °C) |
| Sensitive | Hygroscopic |
| Stability: | Stable. Incompatible with strong oxidizing agents. Protect from moisture |
| HS code | 29239000 |
