Certificate of Analysis

Name of Product	GHK-Cu
Sequence	Gly-His-Lys Cu xHAc
Molecular Weight	742.2
CAS NO.	49557-75-7
Batch No	CP1801021
Date of Manufacture	Jan. 02, 2018
Retest Date:	Jan. 01, 2020

TEST	SPECIFICATION	RESULTS
Appearance	Blue powder	Blue powder
Solubility	Soluble in water	Conforms
Identity by MS (GHK)*	742±1	742.2
Peptide Purity (HPLC)	≥95.0%	99.06%
Amino Acid Composition	±10% of theoretical	Conforms
Cu⁺ Content	4~8%	5.9 %
Water Content (KF)	≤8.0%	2.1%

*CPB warrants products of said quality at the time of sale.

Please store product in cool, dry place protected from light and keep the product hermetical in package while not use .
